& Five Stars = \$5/hr.

September 2009

To Parents & Students,

Starting September 1, 2009, the Forest Crest Junior Development Program will have a "STAR" Student Rating System to determine the hourly lesson fess.

I'm starting this system to promote and reward **student loyalty and longevity** to Forest Crest and its efforts to develop outstanding tennis students. Those students, who stay in the program the longest and develop the highest standards and goals, will be rewarded accordingly for their continued devotion and effort. The hourly lesson rates decrease as a student advances in the STAR system. In addition, you will find many additional benefits for a higher star rating.

I will continue to offer the following discounts:

- 5% off for early registration (at least one week prior to the start of a new session).
- 5% off if two or more children in the same family attending the same session.
- 5% off for a FCAC Membership (Family or Junior)

To avoid confusion, please note the following general information:

- A session is equal to a full six to eight weeks of training determined by the standard schedule.
- Juniors entering or leaving anytime during a session in progress will not receive credit towards the STAR System unless a minimum of six weeks of training completed.
- Any junior participating in a summer camp program (four days of practice for 20 total hours) will receive credit for one session.
- Any junior taking six private lessons from Ted will receive credit for one session. Maximum limit of two sessions per year credit for privates.
- Prior year(s) participation credit (including Glenn's 10 & Under Program) awarded on a case-by-case basis.
- Discounts for certain criteria offered. These discounts will be deducted from the TOTAL session cost.

- Juniors entering a session after that start date charged a prorated fee depending on the # of remaining weeks.

On the next page, you will find a detailed description of the STAR Rating System along with the many benefits.

Thank you for your interest and past participation in our program.

Happy Hitting!

Ted
